

Marchmont Fall 2014

We hope everyone had a wonderful summer filled with laughter and fun activities! Marchmont held some great family events in the park and we hope you were able to join us.

With your new committee now in place and working hard, great new things are happening! You will see our traditional events continue with fun twists, as well as some new initiatives!

Marchmont Ratepayers Association Upcoming Meeting

Your input is ALWAYS welcome. Our next meeting is scheduled for 7:00pm on Thursday, November 20 at Marchmont Baptist Church. Please plan to attend to share your ideas and take part in some of the exciting things happening in our community. If you can't attend, feel free to email the committee any time with comments or suggestions.

SAVE THE DATE: SATURDAY, JANUARY 31, 2014

Family Valentine's Day Spaghetti Dinner & Dance

Our Annual Spaghetti Dinner Fundraiser is fast approaching and this year it has a new twist! While the evening will still feature a delicious meal of homemade spaghetti and Caesar salad and a silent auction, we are going to get the whole family moving with an after dinner dance. There will be music for all age groups as well as games. It will be a lot of fun for everyone!

We always need help with this event, so please let us know if you are able to make sauce, pre-cook pasta, decorate the hall, organize activities and games, serve, do dishes and kitchen clean-up or any other aspect of the event.

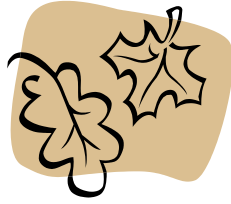

A meeting will be held specifically for this event so please plan to attend or sign up through the website.

Keep checking www.marchmontpark.com for details and ticket information.

Park Update – The Committee has been discussing park updates with Township representatives and will attend a meeting in November to discuss new equipment and other upgrades. For details on this meeting, please attend the Marchmont Ratepayers Association Meeting on November 20 (details above).

Marchmont Park Skating Rink

Our popular skating rink will be even better this winter with the addition of rink boards around the entire rink!

These large boards will be available for sponsorship for \$50 per board. Sponsorship means the sponsor – whether a community family, business or other organization – is provided with the board to decorate as they wish. The decorated board will then be returned to the committee in time to be installed with the rink in December.

This is a great opportunity to market your business, recognize people in your community or just give the kids a chance to showcase their artwork. This will help to cover the cost of the boards, as well as make the rink fun and colourful! If you are interested in sponsoring a board, or know of someone who might like to advertise, please contact Tim Wiseman at timwiseman@rogers.com.

HELP IS ALWAYS WELCOME! We need helpers to set up the rink and maintain it throughout the season. If you are interested in helping, please contact the committee.
